

Hi Mark

Read an interesting article in the business section of the Modesto Bee. You probably have read it too. Sending you a copy ¹⁹⁹⁴ in case you haven't read it.

Also in a fall ¹⁹⁹⁴ copy of Woman's Day magazine there was an article on Met Life and Prudential in Pennsylvania. I cut that out and have filed that with my insurance papers. Your welcome to have that too.

It's to bad there are not more Mark Colbert's in this world. You were the instrument God used to answer my prayers. Thanks again. Keep up the good work.
